

Brethren,

Aug 17, 2019

I hope this letter finds you happy and persevering in the Lord. May God bless you all as you serve Him!

The Cambodians continue to preach the Gospel and work to make disciples. Chheng and Sophorn are in good health and good spirits as they work. This year marks 20 years since they moved back to Cambodia in 1999. This year marks the 15th year of the Prek Ambel training center's discipleship program. Thanks be to God for sustaining the brethren in the work. Thank you for your many gifts and prayers through the years.

Brother Nuon is praying for a partner to reprint 1000 more copies of J.C. Ryle's book *Aspects of Holiness*, which we translated into Cambodian some years ago. This book has been enjoyed by many already and the Church of Mercy desires to replenish their supply. It's only \$1800 for 1000 copies. I have attached the quote from the print shop. If you are interested in contributing to this good work, please let me know.

In an effort to be timelier in updates, Brother Chheng has begun posting pictures and updates on the work to The Church of Mercy Facebook page.
