

Chheng & Sophorn Nuon & The Church of Mercy

Greetings!

Grace to you and peace from the Lord Jesus. The ministry continues on by the grace of God. The Church of Mercy in Cambodia continues to preach the Gospel and souls are being called to the Lord. Pastor Chheng and his wife Sophorn are both well and continue to be very active in their work every day. They still have a strong calling for ministry in Cambodia, even though the ground is hard and thorns plentiful. The churches in Prek Ambel and Sre Trang are doing well and are at peace; praise God! Many thanks for your continued partnership in the ministry to Cambodia. May God bless you and keep you always! *Numbers 6:24-26*

Prek Ambel Training Center (PATC) – The school is now in its 13th year and continues the work of making disciples of the next generation. This year's class has 39 students and is much younger than before. 20 are high school students and 19 are middle school students. They study in public school for half the day and then after in the training center. Pray that God will teach them and cause them to grow in the most holy faith.

Church Planting / Bible Study Groups – Most of the groups have experienced very little growth in the last few months and some have even declined since our last letter. Please continue to pray for souls to be won to the Kingdom of God.

- **Bora & Sre Leap – Srie Oh** – They have a small piece of property and teach English. The adults that were attending have stopped. They still minister to many children daily. Pray for them to persevere.
- **Bun Tooun – Ba Nock** – The small groups that meet in this area have seen some decline. Pray for God's Spirit to make them hungry again.
- **Chooun – Dom nak cloong** – Very slow growth – they have a nice piece of property and a good church building. Pray that God would fill it up with His people.
- **Daniel & Theary - Koh Tome** – This group is still doing well and continues to meet on Sunday evenings, which includes several adults and many children. Approx. 20 meet weekly. Pray for them.
- **Paula & Sovana – Chreay** – They have been in Chreay for over a year now. They struggle to find any who are interested in learning of Christ. Pray for them. Paula meets with Bora from Srie Oh on Friday & Saturday for evangelism. Pray for the sheep to hear the Good Shepherd's voice!

New Groups

- **Lee-un & Naa – Bung Tra'kooun – M'pul P'ime** – These former students are working in two villages. Each day they spend half the day in Bung Tra'Kooun and the second half in M'pul P'ime. Pray for God to bless them.
- **Raksmeay & Yaan – Compung Ch'ngang** – This group is growing and has a Bible study of 10 people meeting after only 6 months. Pray for them to be steadfast in the Lord.
